ANNUAL OPERATING BUDGET IMPACT (\$000)

DESCRIPTION

This project provides for design, review, and construction of roads or utility work that benefit new subdivisions and the public-at-large. The project may be used for: land acquisition and construction of connections in primary and secondary residential roadways that cannot be made the responsibility of particular developers; County participation with developers in the construction of arterial and major highways by way of agreements; completion of defaulted permit work to protect improvements that were completed prior to the default. Subsequent reimbursement will be sought.

JUSTIFICATION

Required Adequate Public Facility: several subdivisions have been approved based on this project. After a needs assessment has been made through the master plan process, roadways should be constructed as development occurs to ensure adequate public facilities.

Plans and Studies

A pedestrian impact analysis has been completed for this project.

Cost Change

The cost increase is due to adding the following Clarksburg area subprojects: grade separation at Snowden Farm Parkway (A-305) at the Greenway Trail; grade separation at Foreman Boulevard at the Greenway Trail; and three "gaps" along Clarksburg Road from MD 355 to Snowden Farm Parkway.

STATUS

Subproject	FY06	FY07	FY08	Status
Piney Meetinghouse Road - right turn lane	\$ 87	\$ 479	\$ 0	Final Plans
Century Boulevard	\$ 1142	\$ 127	\$1743	Developer Final Plans

Grade Separation- Greenway Trail at Foreman Boulevard	\$ 0	\$ 388	\$ 388	Planning Stage
To Be Determined	\$ 415	\$ 415	\$ 415	
Totals	\$ 1644	\$ 4487	\$3928	

Piney Meetinghouse Road has been delayed two years to incorporate a right-turn-lane into the Travilah Road project and schedule. Century Boulevard has been delayed two years due to developer negotiations.

OTHER

*Expenditures will continue indefinitely.

FISCAL NOTE

Intergovernmental revenues noted above are from WSSC for Piney Meetinghouse Road. The right-turn lane from Travilah Road onto Piney Meetinghouse Road could not be constructed in the Travilah Rd. project due to a WSSC vault. Impact tax for Century Boulevard is assumed. It is anticipated that the grade separations on Snowden Farm Parkway will be funded with Development District Funds.
